# Halloween Checklist for Dog Owners

Keep the candy out of reach and everyone safe on the big night.

- [ ] Save the vet, emergency vet, and poison control numbers in your phone
- [ ] Store all candy in a closed, latched, or high location
- [ ] Keep sugar-free candy and gum separate and secured (xylitol)
- [ ] Set up a quiet room for your dog during trick-or-treat hours
- [ ] Keep dogs away from the front door
- [ ] Secure the trash, especially wrappers
- [ ] Skip lit candles and fragile decorations within tail reach
- [ ] Check your dog's ID tag and microchip details
- [ ] Have your dog's current weight handy
- [ ] Tell kids and guests: no candy for the dog
